Grand Judges

LEE MARKOWSKI and wife Linda are members of Southern Colorado HRC. They have two grown sons. Lee is a retired telephone cable splicer and guides at a pheasant preserve. A member since 1997, Lee has been Vice President for Front Range HRC.

Lee and Linda have two 500 point club dogs, Buck and Tazz. They have HRCH Czar, HR Tyke and SHR Biscuit.

Lee has judged two Grand Hunts. When asked why he accepted the invitation to judge he said "To be called is an honor and I enjoy seeing the best. It gives handlers and their HRCH's a higher goal to achieve. It also showcases the best of the breeds".

Lee got involved in 1990 when he saw a HRC demo at a sportsman show in Colorado Springs and wanted a retriever like the ones there.

BOB BLACK and wife Anne are currently members of Kingston Area HRC. They have a daughter, son-in-law and two grandsons. Bob is a retired Firefighter. A member since 1995, Bob has served as President and hunt marshal of his club and also served as Region Field Representative from 1999-2008, game steward at the 1998 Canada Spring Grand, hunt marshal at the 2002 Canada Spring Grand.

Bob has trained HRCH Jerryru's Dylan (deceased), HRCH UH Duk Dawg's Blue Majic – 500 point club (deceased) and HR Blue's Duk Dawg D.J. Bob began judging in 1997 and judged the Michigan Fall Grand in 2007 and the Iowa Fall Grand in 2008. When asked why he accepted the invitation to Judge he said "I believe that the Grand Hunts are important to the HRC program because the dedication, time and effort put forth by owners, handlers and trainers to campaign their retriever beyond the Finished level must be recognized. I accepted the invitation to judge this Grand Hunt to support the HRC program and ensure the Grand's continuance".

HERBY BOYD is a member of Coastal Empire HRC. He has two grown sons. He is a retired Fire Fighter City of Savannah. A member since 1993, he has held the offices of President, Vice-President, Secretary and Treasurer.

Hunting companions include HRCH Purdy Mac, HRCH Casey & Pattons Sweet Jasmin and HR UH Tank. Hereby began judging in 1994 and this will be his fifth time judging a Grand Hunt. He said that it is great experience to judge so many fine dogs and is very pleased to get the opportunity to be one of the judges for the Grand again. He will always be grateful for the experiences and the friendships he has made by his membership in HRC.

Grand Judges

JIM REICHMAN and wife Edna have a ten year old daughter, Gracie. Jim is an attorney. Their home club is Central Louisiana HRC. He has been a member since 1993 and held the offices of President, Vice-President and Treasurer. He has also is the former HRC president, Vice President and Treasurer.

They have owned four HRCH dogs, all of whom have participated in the Grand.

TRACY STUBBS and wife Michelle are from the Central Florida HRC. He is a retired firefighter. They have been members since 2000. In addition to holding the office of President for the local club, he is Field Representative for Region 4A.

Their hunting companions include HRCH UH Bart and HRCH UH Trip.

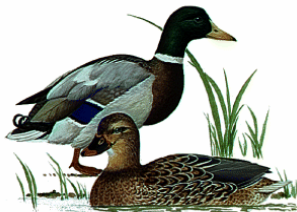

Tracy has judged a Grand Hunt three times and states that The Grand is an international event. This is an opportunity to be involved outside of the U.S. He still feels the Grand and HRC is the best showcase for hunting dogs.

PAT JOHNSON and wife Rita have two grown daughters, Holly ad Sarah. He is a Base Engine Manager at Tinker AFB in Oklahoma. Their current club affiliation is with Panhandle HRC where he has held the offices of President and Hunt Chairman. Pat has also been the Field Representative for Region 13A and just moved to Region 9A as Field Representative.

Retrievers include HR Royal Cajun Queen Lucille, HRCH Paddy's Chashey Boy, HRCH Intrepid's TR Ruff Rider (480 points) and HRCH Duck Dawg's Luck Triple 7's.

Judging since 2000, this will be the third Grand Hunt he has judged.

Pat says "I have judged the Grand 2 times before and I believe the Grand's are important to improve our breeding program. I believe the Grand's are the best of the best and showcase the best dogs in HRC from around the country and Canada. I really like watching the dogs and handler work together as a team. I wish the best of luck to all participants in the Grand."

Grand Judges

PAT GYSBERS and wife Cheryl have two grown children, Brian and Katie. He is a foreman at a metal nameplate manufacturing facility. They are members of Land of Lakes HRC and has held the offices of Vice President, Secretary and Board member.

Retrievers include HRCH UH Gysbers Hot Kol, HR UH Gysbers Duece's Wild, HRCH UH Haycreek's Polar Blast (500 point club member) and SHR High Voltage Prairie Lightning.

Judging since 2002, this will be the third Grand he has judged.

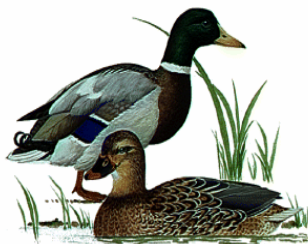

"I accepted the invitation to judge the Grand in order to give back and help support the HRC program. It is quite an honor to be asked to judge at the Grand. I'm looking forward to having a front row seat at this wonderful event."

He got involved in HRC in 2000, when he took a class in training your retriever. The instructors were HRC members and encouraged the class to enter the dogs in a test. After running in Started, he watched some Finished dogs run and decided to have a dog that could that work. He has been involved ever since.

GREENFIELD, BRETT

lives in Sumner, Iowa with his wife Robin. Brett has two daughters Jessica age 26 and Tiffany age 20. Brett has been a member of HRC since 1999 and is a member of the Big Wapsie club where he has held the title of Vice president. Brett has played a big part over the last 6 Grand's acting a site coordinator for the various tests. Over the years Brett has accomplished the title of HRCH as well as 500 point achievement with his dog Buster. He also has a second dog Katie that has her HR at 1-1/2 years. Brett was introduced to HRC through a local club member. He ran his first dog that spring at his home club and was hooked.

I feel the Grand is a place to judge dogs where everyone has a fair chance to achieve this goal. Straight from the HRC philosophy " Give honor to whom honor is due". Organizations that provide a family atmosphere and a helping hand in youth programs as well as program for women give back to their communities and I am glad to be just a small part of that process

PROTOCOL AND POLICIES FOR PARTICIPATING IN HRC INTERNATIONAL GRAND HUNTS

**The HRC International Grand Hunts are open to all
Hunting Retriever Champions.**

IMPORTANT NOTICE: It is the **OWNER'S** responsibility to insure that his/her dog is eligible to be entered. Any dog entered in the Grand that does not have 100 points **PRIOR** to the Grand, will not receive Championship Points or Grand Pass credit, if the dog passes the Grand.

OFFICIAL GRAND ENTRY FORMS are available on the HRC web site: www.HuntingRetrieverClub.org and are also printed in the Hunting Retriever Magazine.

Computer generated entry forms will be accepted ONLY if they contain ALL of the information as requested on the Official Grand Entry Form.

**Entries will have only one (1) Handler listed.
Each entry will be on one (1) sheet of paper.**

Each entry MUST be SIGNED accepting the Release of Liability and certifying the immunizations of the dog are current and appropriate. A typed name is not acceptable.

An entry is **NOT** received unless appropriate funds accompany the entry.

The Deadline for entries is a 'received By' deadline. It is the owner and/or Handlers responsibility to ensure that the entry is **RECEIVED** by the Grand Hunt Secretary on or before the published Deadline date. Any entry not received with appropriate fees by the designated Deadline date printed on the Official Entry Form will **NOT** be accepted.

United States Postal Service Priority Mail **DOES NOT** guarantee next day delivery.

Handlers are welcome to request being in a Flight with someone else and all reasonable attempts will be made to honor the request.

Handlers sequence preference of running their dogs will **NOT** be accepted.

All Grand Entry Deadline Dates will be a **MINIMUM** of fourteen (14) days prior to the date the Grand is scheduled to begin.

THE 'GRAND'

The HRC International Grand Hunt will have five (5) tests. These five tests shall consist of the following: (1) a multiple marked water retrieve, (2) a multiple marked land retrieve (either or both of the marking tests must include an honor and a diversion retrieve), (3) a water blind retrieve, (4) a land blind retrieve (these blinds may or may not be included as part of one of the required multiple marked retrieves, or may be run as a separate test in conjunction with a single retrieve), and (5) an upland game and quartering test. Failure of a hunting retriever to pass any of the hunting tests will prevent it from participating in any subsequent tests.

The International Grand Hunt tests must duplicate actual hunting conditions. Practical hunting distances must be used in all Grand Hunt tests, as defined under TEST GROUNDS AND DISTANCES. Dead pheasants, pigeons, ducks or other game birds must be used for all hunting tests, except for shot flyers and Upland Game Tests.

THE "GRAND" - POINT SYSTEM

The Grand Hunt differs from other HRC events in that total points awarded by the Judges determination between Solid, Marginal, or Failing work. The number of Judges and Flights may vary according to the anticipated size of the Grand Hunt. The pairing of the Judges is at the discretion of the Grand Hunt Committee. The field will be split into four groups, listed as flights "A-D". The field is split with care taken to attempt to have retrievers of multi-retriever handlers in the same group and those entries separated by a reasonable number of dogs. Retrievers with the same 'call-name' are not placed together in the running order. The running order is strictly followed as it appears in the Hunt Program with only 'common sense' deviations made.

Tests 1 through 4 will be run simultaneously. Groups "A & B" will start their first series test on one set of land or water tests while groups "C & D" will start their first series test on the other set of land and water tests. Once each group finishes their first series test, they will switch tests respectively. Group "A" will switch with Group "B", and Group "C" will switch with Group "D" to begin the second series tests.

Once the first two series tests are completed, Groups "A & B" will then switch with Groups "C & D" to complete the remaining two series tests.

During the event, the retrievers are to be judged as they would throughout all regular HRC events. The Judges will evaluate the dog's performance based on Solid, Marginal, or Failing work during each Grand series test. The performance of grading will be directly related to the number

values listed below. The number value is only a means for the computer to value the performance given by each Judge.

0 = Fail 1 = Marginal 2 = Pass

The retrievers receive points according to the following system, except for test series five. The Upland Test Series is to be Judged and scored on a Pass or Fail system.

Given that all of the first four tests are run simultaneously, a retriever may receive a Marginal score only once from a combined set of Judges throughout the event. No retriever that has clearly failed or received a score of zero (0) from any one Judge will be carried on to the next series test.

Beginning with the first series test, a retriever must earn a marginal score of one (1) point from each judge for a combined score of two (2) points to advance to the second series test. At the conclusion of the second series, the scores from both the first and second series tests will be combined. Those combined scores from series 1-2 must equal a minimum total score of six (6) points to advance on to the third series test.

At the conclusion of the third series, a retriever must earn a minimum combined total score of nine (9) from test scores 1-3 to advance to the fourth series test.

At the conclusion of the fourth series, a retriever must receive a minimum total combined score of thirteen (13) from all four series tests to advance on to the fifth series.

This score of thirteen (13) must be received with a minimum score of six (6) points from test series 1-2, combined with a minimum score of seven (7) points in series 3-4. The retriever may also advance with a score of thirteen (13) by combining a score of seven (7) or higher from tests 1-2 with a minimum score of six (6) received in tests 3-4.

Following the conclusion of each series test, the Judges briefly confer to discuss their individual judging assignments and then separately mark their scoring sheets. A member of the Permanent Grand Hunt Committee will then review these scores sheets to make sure they are complete. Next, the Permanent Grand Hunt Committee will oversee the input of scores into the Grand Hunt computer-scoring system.

The Computer Program automatically will display an alert error anytime a retriever receives a separation in scores by two points (0,2). Generally an error of this type may occur during the transfer of scores from Judges sheets onto the official scoring sheet. In the event this should happen, these sheets will then be passed back to the Judges for their review and correction.

CALL BACKS AND CONFERENCES

The Grand Hunt also differs from all other Hunting Retriever Club events in that there is a required cut after each test. With the large number of entries and the time constraints of the Grand, it is impossible to have the Judges open their Judges sheets and talk in depth with the handlers after each test. Therefore, the handlers of retrievers that do not pass may receive a brief review of their Judges sheets after each. Members of the Grand Hunt Committee will conduct reviews

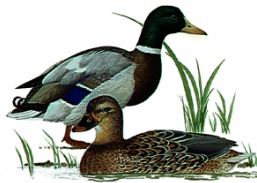

- The Grand Hunt Marshall or a Grand Hunt Committee Member will announce callbacks after each test.
- Handlers choosing to review their Judges sheets will be able to immediately after the callbacks are announced.
- Handlers choosing to review their Judges sheets are to inform the Grand Hunt Marshall who will prepare a list for

the review according to the running order number in the program.

- Handler's missing their scheduled Judges sheets review must wait until the conclusion of the Grand to review their Judges sheets.
- Only the Handler may review the Judges sheets.
- Reviews are limited to (3) minutes and will be timed by the Grand Hunt Marshall.

Please remember that the Rulebook states under Disqualification's: "All participants are expected to display good manners ...and show sportsmanlike conduct."

Handlers are encouraged to consult with the Grand Hunt Committee if there is any doubt why the retriever failed. The possibility of error does exist due to the amount of data that must be transferred from the Judges sheets to the Judge's score sheets and then to the Computer Program.

"They'll buck freezing, four-foot waves for a quarter-mile to make a retrieve and that night by the fire, lie with their favorite stuffed bunny and woof and arf in their sleep.

They'll stand between you and a stranger at the door, hackles raised, rumbling a warning only a fool would ignore, and dare danger to enter: two hours later, they'll be yapping at the neighbor kids, trying to worm their way into a game of touch football.

If we have to travel away overnight, we know those we love are guarded, safe and protected, by a canine radar installation who will patrol the house, count noses, and sleep lightly against the perils of darkness"

Steve Smith, of Just Labs
