Cowtown HRC would like to welcome all handlers and spectators to our 2012 Spring Hunt Test. We feel very privileged to hold this year's test at such a remarkable site. The John Bunker Sands Wetland project serves as the hub of environmental and social interest for the 3,100 acres of man-made wetland habitat on the Rosewood Seagoville Ranch property. The site includes an Education Center that houses interactive exhibits which will be open during the hunt test; please visit their website <http://wetlandcenter.com> for further information. Cowtown would also like to thank our great group of Judges, Marshals, Hunt Test Committee members and the many club members who are giving up their weekend to allow us to hold this hunt test.

Please be respectful of our opportunity to use these grounds by picking up all trash and closing any gates that you might open. Additionally, since this site is operated by the North Texas Water District, please respect and obey all posted signs. We are asking for all participants and guests to be diligent in preventing potential fire hazards by picking up all cigarette butts; parking in designated areas only and please, no tailgate cooking on the property.

--- Notices ---

By entering the Cowtown hunt test you are agreeing to the following: The hunt test will be held under the rules and regulations of United Kennel Club, Inc. and Hunting Retriever Club, Inc. The club hunt test committee will be the reviewing body to resolve any disputes or issues arising from test layouts, handler complaints or dog issues. The committee will do its utmost to ensure your dog is tested in a fair and reasonable environment. All decisions of the committee will be final.

MEMBERSHIP APPLICATION

In North America today, there is an organization that was established to test the Hunting Retriever in a true-to-life hunting environment. This organization, the Hunting Retriever Club, Inc., was created to develop the type of testing that you, and thousands like you, have wanted for years. The Hunting Retriever Club, Inc. (HRC) has established a non-nonsense, true to life, training and testing program where gun dog owners meet, train, learn and test their dogs afield.

The HRC was formed under the auspices of the United Kennel Club, Inc. (UKC). UKC was founded in 1898 as a purebred dog registry devoted to maintaining the inherent working abilities of hunting dogs. UKC sponsors more hunting dog events than any other such organization in the world.

To become a member of the HRC, just complete the membership application below. Each membership includes a year's subscription to HUNTING RETRIEVER magazine, which includes training and information articles as well as local Club event results and a list of upcoming events of the HRC local Clubs.

Memberships are for twelve months, commencing as soon as your application is processed. When you send in this application, please enclose a check in United States funds only, made out to the H.R.C., Inc. Send the application & fees to:
