Lady Handler Seminar

Hosted by
Whistling Wings HRC
June 16th & 17th 2012

Whistling Wings HRC would like to invite all women handlers to a Lady Handler Seminar. This seminar will offer one-on-one and group training for all levels of handlers with the goal of helping participants build confidence towards running hunt tests at upper levels. Additionally it will teach gun safety and handling, with the objective of increasing familiarity with the gun in order to build confidence.

It is important to note that this is a handler seminar, not a dog training seminar. Successful dog handling depends on a team effort between the handler and dog. Our intent is to help women handlers become comfortable with handling a dog in training, and in a HRC hunt test situation. Handlers will learn to deal with elements that affect a dog's behavior on the line and in the field – such as noise, creeping, breaking, wind, terrain change, water, and suction. This seminar will help teach the participants to manage concerns to allow positive results and experiences with their dogs. This workshop will provide a feminine point of view, in a positive environment.

The instructor is Janet Kimbrough from Santa Fe, TX. Janet has had retrievers since 1992, and has owned, trained, and handled three of her retrievers to their HRCH titles; all together they have earned more than 3,000+ points. She has put UH and HR titles on several of her dogs as well. Janet is currently the HRC Field Representative for HRC Region 11 and an AA licensed judge in all categories. She is a lifetime member of Colorado River Retriever Club where she has held the positions of President, Secretary, and Treasurer.

Participants may bring their own dog or dogs will be provided for use during the seminar. If you bring your dog it must be up to date on vaccinations.

The seminar is Saturday June 16th and Sunday June 17th 2012. Each day will have a separate location.

Saturday June 16th Classroom: Joan Fetty's building
20612 NE Woodinville-Duvall Rd.,
Woodinville, WA 98077

Sunday June 17th Fieldwork: Canine Country Club
2412 Neal Road SE
Fall City, WA 98024

The cost is \$125.00, it includes: seminar materials, two lunches, and Saturday night dinner. A space will be held for you when your non-refundable deposit of \$50.00 is received. The remaining balance must be received by May 1st, 2012. Participants must be women 18 years or older. Space is limited.

Checks are payable to Whistling Wings HRC.
