

We awarded six educational scholarships and one research grant in 2006 and now it is time to begin looking forward to 2007. The donations into the Foundation have remained consistent with a significant increase in the funds received through the Memorial Program. The Memorial Program gives us the opportunity to convey that special remembrance, knowing that the donations help to provide support through the Foundation's grants and scholarships.

The Foundation will award another Research Grant this year, and the organization or school winning this award will be selected at the National Meeting in June 2007. If any of you know of a worthy candidate, please send me the

information. Please provide details on the particular project or purpose you would want us to consider, as well as the name of the organization.

We are publishing the Guidelines and Scholarship Application to make it easier for everyone to apply. Read and follow the instructions carefully, and call me if you have any questions. All applicants must meet the minimum requirements to be considered and all approved applications will be included in the random drawing which will be held again this year at the National meeting. The lucky winners will be announced at that time. Remember, the application deadline is April 30, 2007. A copy of the application is provided on the following page.

HUNTING RETRIEVER CLUB FOUNDATION, INC. SCHOLARSHIP GUIDELINES

- 1) The applicant must be a citizen of the United States or Canada.
- 2) The applicant must be an HRC member, or the legal dependent of an HRC member, and that membership must have been in place for a minimum of one year (12 months) at the time of application.
- 3) The applicant must be a high school senior, or graduate, with a minimum of a 3.0 Grade Point Average on a four (4) point system, or the equivalent on a five (5) or six (6) point system. ** College students must meet the same requirements.
- 4) Published applications can be used or you may request an application from the President after January 1. Completed applications must be returned to the President of the Foundation, postmarked no later than April 30.
- 5) If an applicant is successful in winning one of the Scholarship Awards but does not attend a college or university in the fall of the year in which the scholarship was won, the scholarship will be held by the Foundation until January of the subsequent year. If the scholarship winner has not registered for school at that time, the scholarship will be forfeited. (Example: Scholarship won in June 2006 - winner does not register for school in the fall of 2006; Foundation holds scholarship award until January 10, 2007. The winner of the award must be registered for school by January 10, 2007, or forfeit the award).
- 6) **All items with a double (**) asterisks on application form require documentation for verification. If the applicant has not yet graduated, these items will be effective as of the last grading period. The Scholarship will be awarded based on this information, so be sure all required verification is included.
- 7) The Scholarship Award will be sent directly to the college or university in the name of the winner. It will be necessary for the winner to furnish a copy of the final letter of acceptance received from the college or university he or she has selected so this can be accomplished. This information must be sent to the Foundation by August 1, so the scholarship award is available to the winner at the time of registration.
- 8) A dependent must be a dependent on a Family membership.
- 9) Other than a spouse, a dependent must be 23 years of age or less.
