# Hunting Retriever Club, Inc.

## Member Application

In North America today there is an organization that was established to test the hunting retriever in a true-to-life hunting environment. This organization, the Hunting Retriever Club, Inc. was created to develop the type of testing that you, and thousands like you, have wanted for years. The Hunting Retriever Club, Inc., (H.R.C.) has established a no-nonsense, true-to-life, training and testing program where gun dog owners meet, train, learn and test their dogs afield.

The Hunting Retriever Club, Inc. was formed under the auspices of the United Kennel Club, Inc. U.K.C. was founded in 1898 as a purebred dog registry devoted to maintaining the inherent working abilities of hunting dogs. U.K.C. sponsors more hunting dog events than any other such organization in the world.

To become a member of the Hunting Retriever Club, Inc., just complete the membership application below. Each membership includes a year's subscription to HUNTING RETRIEVER magazine, which includes training and information articles as well as local club event results and a list of upcoming events of the H.R.C. local clubs.

Memberships are for twelve months, commencing as soon as your application is processed. When you send in this application, please enclose a check in United States funds only, made out to the Hunting Retriever Club, Inc. Send the application and fee to:
